

## Looking for an exciting job with Medidee in Europe?

Medical Device Quality Assurance, Regulatory and Clinical Affairs

### Brand & communication manager

Preferably based in Switzerland, Belgium or Germany.

Medidee Services is the Leading European Expert Consultancy Service supporting Medical Devices and In-Vitro Diagnostics compliance with international regulatory requirements.

We serve MedTech clients with hands-on help and support for compliance with applicable regulatory requirements of our clients' target markets. Our services cover all steps of Medical Device and IVD development, from the initial project idea, design and development, through to clinical validation, regulatory clearance and post market surveillance activities.

With 50 team members in Switzerland, Germany, Belgium, Denmark, United States and APAC, we are actively supporting B2B clients worldwide.

We are looking for a qualified individual who will be:

- Developing the Medidee brand by understanding the ecosystem, the competition and by identifying the business opportunities for the future
- Managing our communication through the web and alternate means, including the hands-on on management of our WordPress sites
- Managing the electronic advertising campaigns and monitoring results
- Supervise and organize the communication events
- Maintaining a very strong interface with the sales team and CRM tools
- Developing our marketing and sales support tools and propagating good practices in the whole company
- Supporting the promotion of our services, including a strong boost on our training portfolio
- Managing the operations of part of our training portfolio.

#### Working with us

Be part of a fast-growing group where individual skills matter and empowerment is a rule. Medidee generally integrates well autonomous and self-starting people, able to adapt quickly to a wide variety of situations triggered by the B2B environment.

We are looking for a strong personality with:

- Tremendous energy and wonderful patience (we know this is somehow incompatible 😊)
- A recognizable training in electronic communication and marketing
- A nice beginning of a track record in a service company
- The ability to go up and down from vision to implementation on the same day
- A very high-end English; German as second language would be great
